- 21.4. The expiry or termination for whatever reason:
  - 21.4.1. of this Framework Agreement will not affect the continuation of any Orders which are in existence at the time of such expiry or termination; and
  - 21.4.2. of an Order will not, in and of itself, give rise to an expiry or termination of any other Order or this Framework Agreement unless expressly provided for in this Framework Agreement or the relevant termination notice (if applicable) as such, the DSP will continue to perform any Orders until such time as the applicable Order is fully performed or is cancelled pursuant to any right of the Shipper to cancel the same.
- 21.5. If an Order extends beyond the Term, the provisions of this Framework Agreement will survive expiry or termination and continue to govern such Order.
- 21.6. Following the Termination Date of this Framework Agreement and/or Order those provisions which expressly or impliedly continue to have effect after expiry or termination will continue in force; and all other rights and obligations under this Framework Agreement will immediately cease without prejudice to any rights, obligations, claims (including claims for damages for breach) and liabilities which have accrued prior to the Termination Date.
- 21.7. The rights of termination set out in this clause 16 are without prejudice to that party's other rights or remedies under this Framework Agreement or otherwise.

## 22. GENERAL

- 22.1. Neither party will make any announcement about or related to this Agreement or any Order, or permit any such announcement to be made, without the prior written consent of the other party.
- 22.2. Each party will only be entitled to assign transfer, charge, hold on trust for any person or deal in any other manner with any of its rights under this Framework Agreement or

- under any Order if it has obtained the prior written consent of the other party to do so (such consent not to be unreasonably withheld, delayed or made conditional).
- 22.3. Any notice given under this Framework Agreement must be properly addressed to the party to be notified and delivered to or left at that party's registered address by hand or by courier, or at such other address notified by that party to the other for such purposes. Any such notice delivered by hand or by courier shall be deemed delivered at the time of delivery, save that if any such delivery is outside normal business hours it shall be deemed to be served at 9.00am on the next business day.
- 22.4. This Framework Agreement and each Order constitute the entire agreement between the parties and supersede any prior agreement or arrangement in respect of their respective subject matter and neither party has entered into this Framework Agreement in reliance upon, and it shall have no remedy in respect of, any representation or statement (whether made by the other party or any other person) which is not expressly set out in this Framework Agreement. The only remedies available for breach of any representation or statement which was made prior to entry into this Framework Agreement and which is expressly set out in this Framework Agreement shall be for breach of contract. Nothing in this clause shall be interpreted or construed as limiting or excluding the liability of either party for fraud or fraudulent misrepresentation
- 22.5. A delay in exercising or failure to exercise a right or remedy under or in connection with this Framework Agreement or with any Order will not constitute a waiver of, or prevent or restrict future exercise of, that or any other right or remedy, nor will the single or partial exercise of a right or remedy prevent or restrict the further exercise of that or any other right or remedy. A waiver of any right, remedy, breach or default will only be valid if it is in writing and signed by the party giving it and only in the circumstances and for the purpose for which it was given and will not constitute a waiver of any other right, remedy, breach or default.
- 22.6. If any term of this Framework Agreement or of any Order is found by any court or body or authority of competent jurisdiction to be illegal, unlawful, void or unenforceable, such term will be deemed to be severed from this Framework Agreement and/or the affected Order and this will not affect the remainder of this Framework Agreement and/or Order which will, in each case, continue in full force and effect.
- 22.7. Nothing in this Framework Agreement or in any Order and no action taken by the parties in connection with either of them will create a partnership or joint venture or relationship of employer and employee between the parties or give either party to any of them authority to act as the agent of or in the name of or on behalf of the other party or to bind the other party or to hold itself out as being entitled to do so.
- 22.8. Each party agrees that it is an independent contractor and is entering into this Framework Agreement and into each Order as principal and not as agent for or for the benefit of any other person. This Framework Agreement may be executed in any number of counterparts, each of which will constitute an original, but which will together constitute one agreement
- 22.9. This framework agreement may be implemented in any number of identical copies, each of which will constitute an original, but together will constitute one agreement

22.10. The shipper agrees to all the terms and conditions listed in the price card document attached to this contract and which the delivery service provider sent to the shipper via e-mail along with this contract
